VarioSmoker

Articlenumber

60.7x.xxx

Description

Give meat, fish and vegetables aromatic smoky flavours and unmistakable colours, you can define these yourself according to your preferences. The VarioSmoker allows you to cook and smoke food at the same time. This saves time, space and purchasing costs. A special smoker is no longer required.

Intended use

This VarioSmoker was designed for smoking foods in RATIONAL combi steamers.

This product is intended exclusively for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. RATIONAL AG assumes no liability for consequences of improper use.

Variants

Variants VarioSmoker	Designation	Approvals
60.78.499	Connector type B	NSF, IEC, NOM
60.75.367	Connector type B (UL)	NSF, cULus
60.75.371	Connector type E/F	NSF, CE, IEC
60.75.373	Connector type G	NSF, IEC
60.75.375	Connector type I (AS/NZS)	NSF, AS/NZS, IEC (Basic)
60.75.377	Connector type J	NSF, IEC
60.75.385	Connector type N	NSF, IEC

Features

- Can be used in manual mode in all RATIONAL combi-steamers manufactured from 1997
- Automatic control of the VarioSmoker by intelligent cooking paths in the iCombi Pro via the USB interface. These become active with the USB connection. The intelligence of the iCombi Pro provides for an optimal and professional cooking and smoking result in no time.
- Can be used in all unit sizes, except for floor units type 20-2/1 and XS 6-2/3
- Use of all conventional smoking materials

Capacity

Connection:	100-240 V
Frequency:	50 Hz/60 Hz
Connected load:	165 W

Dimensions and weights

	Weight (g)	Width (mm)	Height (mm)	Length (mm)
VarioSmoker (Smoking box):	1.530	121,2	69	437
Power supply unit:	1.250	110	91	270
Bracket long/short:	1.300/900	250	170	585/215

Material

Smoking box:	Stainless Steel (CNS 1.4301)
Power supply unit:	Plastic PA6 Durethan
Bracket:	Stainless Steel (CNS 1.4301)

Datasheets

VarioSmoker

Equipment/Scope of delivery

- Smoker box with power supply connection cable
- USB connection cable
- Power supply unit
- Power supply bracket
- Application manual

Note

- The VarioSmoker must not be operated outside of the cooking system and only under an operational exhaust system. The smoke gases must be discharged from the building by the exhaust air system.
- Due to the shock hazard, the power supply unit may no longer be operated if the housing is damaged.
- The article is not suitable for use in the microwave
